Sir:

In response to the Office Action mailed on April 1, 2004, Applicants hereby provisionally elect, with traverse, Species I (the embodiment of Figures 1-5) for initial examination in the present application. Claims 1-13, 19 and 20 read on the elected species and are generic to all of species outlined in the Office Action.

However, applicants respectfully traverse the election requirement since all of species are sufficiently related that a thorough and complete search for Species I would necessarily encompass a thorough and complete search for the non-elected species. Accordingly, it is respectfully requested that the election requirement be withdrawn and that all species claimed herein be examined.
